## Education

**Bootcamp Certificate (Full Stack):** Trilogy Education Services / University of Texas - Austin // Grade: A

A 24-week, Full Stack, intensive program focused on gaining technical programming skills in HTML5, CSS3, Javascript, JQuery, Bootstrap, Node Js, MySQL, MongoDB, Express, Handlebars.js & ReactJS.

**Bachelor of Science in Speech Language Pathology:** University of Texas - Austin // GPA: 3.74

Communication Science and Disorders - academic preparation in the normal processes of communication and its development, as well as in the identification and treatment of communication disorders.

## Projects

**C-19 |** <https://github.com/kkwoka/C-19> | <https://secret-spire-45995.herokuapp.com/>

- A COVID-19 patient portal, easily accessed by physicians nationwide, for storing patient information to ensure accurate tracking and reporting of tested patients.
- My Core Responsibilities:
  - Set up local and heroku databases for patient information storage.
  - Created 'Add' and 'Delete' database manipulation routes
  - Created all page url routings
- Tools / Languages: MySQL / JawsDB, Vue.js, JavaScript

**Smorgas-Chord|** <https://github.com/kkwoka/Smorgas-Chord> | <https://kkwoka.github.io/Smorgas-Chord/>

- Allows the user to search lyrics and guitar tabs for popular songs using two different API. The lyrics will appear on the page while the guitar tabs will open into a separate Songsterr page. The previously searched songs will appear in the history as clickable links, should the user want to look through their search history and pull up song and lyric information from previous searches.
- My Core Responsibilities:
  - All JavaScript code: Connecting to & displaying both Lyrics and Tabs API based on user input, user input's history storage
- Tools / Languages: JavaScript / jQuery, APIs (Happi.dev, Songsterr, Kanye.rest), AJAX, Bulma CSS, Tippy.js

## **Work History**

### **REI, Austin, Texas— *Sales Lead***

2.5 Years of Experience

Due to strong leadership and interpersonal communication skills, worked closely with Store Management, Visual Lead, and Sales Leads to identify, research, and resolve customer and employee issues. By performing unique transactions: special orders, class registration, special ticket sales, store mail-outs, customer service skills significantly sharpened.

### **Peached Tortilla, Austin, Texas— *Asst. Operations Mngr; Warehouse Mngr; Food Truck Mngr; Shift Lead***

1.5 Years of Experience

Showcased my attention to detail, decision making, and organizational skills by creating a new scheduling system which resolved previous scheduling issues. Organizational, time management, and leadership skills significantly strengthened by working concurrently as Shift Lead, Food Truck Manager, Warehouse Manager, and Asst. Operations Manager.

### **Austin Java (Barton Springs), Austin, Texas— *Team Lead; Bartender/Server***

1.5 Years of Experience

Gained significant experience in working under pressure. Team management skills: Supervised team of 5-15 individuals. Assisted management to resolve customer / employee / scheduling issues, food / alcohol orders. Helped with management, front-of-house and back-of-house duties. Supervised/worked special events in a rentable meeting room.
